VILLAGE CHAPEL FAMILY

An Enduring Vision for Christian Community: Worship, Learn, Serve

As an independent, interdenominational, Christian community, we look to the authority of scripture and the Lordship of Christ in all matters of doctrine and practice. Our mission is founded upon the precepts of worship, learning, and service.

First, The Village Chapel exists to worship God – Father, Son, and Holy Spirit. Together, the Trinity are “worshipped and glorified,” as we, and Christians throughout history, profess in the Nicene Creed. In the Gospel of John, our Lord teaches us, that the Father seeks worshippers (John 4:23). Therefore, we assemble together as a community of worshippers to give God our praise and thanksgiving, and to exalt His name in The Village of Pinehurst and Moore County. The Village Chapel is a place of worship, and we are His worshippers—not only on Sundays, but every day, and everywhere.

Next, we are called to become learners of Christ. Jesus said in the Gospel of Matthew, to learn from Him (Matthew 11:29), and He commissioned us to teach people about Him (Matthew 28:20). Christian living is Christian learning. As Dietrich Bonhoeffer once said, “Christianity without discipleship, is Christianity without Christ.” Jesus desires for us to grow in our knowledge and understanding of Him, so we can be equipped to teach others, sharing the message of the Gospel—learners becoming imitators of Christ.

Finally, we are called to be servants—to serve God and to serve one another. Jesus said that He “did not come to be served, but to serve, and to give his life as a ransom for many.” (Matthew 20:28) We are not to be “hearers” of the Word only, but “doers.” (James 1:22) Following the Lord’s example of sacrificial service, we too are to live sacrificially in our service to God, His Church, and others.

Upon these three pillars, is the vision of The Village Chapel founded.

Meet the Congregation

Mike and Agnes Fusselbaugh are originally from Maryland, but moved to Connecticut, Illinois and back to CT for Mike's work. They have been married for 48 years and have 3 daughters (Kim in Texas and twins Michelle and Christy in Illinois), 7 grandchildren and 1 great grandson.

Mike was raised an Episcopalian and Agnes Catholic, but they changed to Lutheran in CT and remained so until moving to Pinehurst in 2013. They bought a lot here in 2007 after Mike visited the area on business a few times and really liked it. He retired in 2013 and they bought an existing home in #6. Mike is an avid golfer at Pinehurst Country Club which was his attraction to NC. He is Secretary of the Sandhills Chapter of the Sons of the American Revolution. Agnes is not a golfer, but spends her time doing a lot of volunteer work including Backpack Pals, First Health Cardiac Rehab and working part time at Helping the Orphans Thrift Shop.

Their first experience at TVC was a music night program and they were much impressed. After trying other churches in the areas, this church just felt right for them and they became members in 2018. Both have gotten active at TVC. Mike is Vice Chair of the Board, has served on the Building and Grounds Committee since 2018, chaired the brick sale for Heritage Hall, is currently chairing the Strategic Planning Committee, is a Reader at 8:15, helps with the leaf blowing before services and pitches in on many other activities. Mike was also on church boards in CT and IL. Agnes serves on the Youth Team, teaches Sunday School, rotates as Sunday School Superintendent, helped with the food for the recent Women's Retreat and spent a lot of time helping move materials and setting up in Heritage Hall.

Mike and Agnes met when Mike was in college at Towson State College (now University) in Maryland in the Business Department and Agnes was Secretary to the department Dean. He likes the story that on St. Patrick's Day 1972 she was walking down a hallway with a Kiss Me I'm Irish button, so he did. Then they started dating and the rest is history! Mike graduated with a BS in Business Administration focusing on marketing and finance.

They have made many friends in Pinehurst through Newcomers of the Pinehurst Area (Mike as President and Agnes Treasurer), the #6 community association, golf and other activities. Now, they are making lots of connections at TVC and thoroughly enjoying their time at church.

Agnes worked as a department secretary in 2 colleges and then managed offices for several construction

companies and has done everything from supervising subcontractors to building out and selling condos. Mike worked 40 years for The Hartford Steam Boiler Inspection and Insurance Company headquartered in CT. He likes to say he had 60 jobs in 40 years including, Regional Vice President, Director of Human Resources, Senior Vice President of Divisions including New Product Development, Personal Lines, International Business Development and Renewable Energy Product Development, among many other roles.

He also earned 3 insurance industry degrees. Mike served on many industry boards and in 2013 he received a Lifetime Achievement Award from the Griffith Insurance Education Foundation and the National Association of Mutual Insurance Companies.

New Members

KEVIN & RENEE CASSIDY

The Cassidy's recently moved to Pinehurst # 6 from the Boston suburbs.

Married for 37 years and have one son, 28, who still lives in Boston. Both enjoy outdoor activities (hiking, biking, gardening). They are new to golfing, but plan to pursue this sport. They also enjoy traveling to see family and friends.

Both are Roman Catholic, but were attracted to The Village Chapel's interdenominational philosophy, commitment to outreach and sense of community. They look forward to getting to know other members and becoming involved in chapel activities. They attend the 11:00 service.

BILL & JAN COOKE

The Cooke's currently live in Scotland County in the Deercroft community. Both are retired educators. Jan's father was a minister in the United Church of Christ. She and Bill have been members of the Methodist Church.

They decided to come for a visit at The Village Chapel at the request of another member, Patsy Parkhill. They liked it and decided to join.

They have been attending the 11:00 service.

EARLINE HITE

Earline relocated to Pinehurst about 3 years ago, from Greenville, NC, where she was an active member of the First Presbyterian Church and a former Elder. She has a daughter and son-in-law, Alison and Dave Jolley, living in the area;

Pastor Ashley presided over their marriage a couple of years ago; she has a 12 year old grandson, Paxson.

Since moving to Pinehurst, she has begun to play golf and croquet. Earline enjoyed volunteering at her prior church, she looks forward becoming involved at TVC.

MEET OUR NEW MEMBERS-

The feedback received from The Village Chapel Readership Survey gave us some great information regarding what the congregation feels is most (or least) important about the church. One area of interest to the congregation was learning more about our new members. The process of introducing new members began in the September issue of The Chapel Herald. We will continue posting new members each month. If you do not already know them, please seek them out at various church services or events and let them know you are glad they have joined The Village Chapel.

New Associate Pastor

Welcome Associate Pastor Dorn R. Majure, III, "Trey" and his family

Trey received his B.A. in Preaching and Pastoral Theology from the Baptist College of Florida, and a Master of Divinity from Southeastern Baptist Theological Seminary. He served as an officer in the Army and was an associate pastor at First Baptist Church of Vass, NC for four years, and most recently was senior pastor at Cypress Springs Presbyterian Church in Cameron, NC.

Trey's ministry philosophy is based on John 8, "I feel that grace and compassion go a very long way in the life of a Christian. I have a passion for ministering to the needs of those around me, and love to see Christ growing in the lives of individuals and the church as a whole. I am a newcomer to the Village Chapel, so my number one goal is to become a part of the community as quickly as I can. It can be a challenge being the "new guy", but I hope that very soon I will be a part of the church family."

Trey was born and raised in Mobile, AL. Both his father and grandfather were ministers. Trey was brought up in Airport Blvd. Baptist Church where his mother is still the pianist. His wife Katie and he have been married 11 years and they have three children: Levi (9), Kinsey (6) and Benjamin (2). Trey and his family have moved a lot while serving 9 years in the Army as an officer, and currently resides in Whispering Pines, NC. As a family they enjoy hiking and spending time at the beach. Trey is a die-hard University of Alabama football fan, enjoys playing sports, especially those with a racquet, and his way to unwind in the evening is a good book. Trey will begin his duties at the Chapel on Monday, November 21.

How Are WE There for those who are Dealing with Dementia?

If you don't already know someone whose care partner is experiencing this disease, you should know this diagnosis is, unequivocally, long term. It is physically and emotionally wearing. Families are impacted, as much, if not more than the person who has the disease.

Senior Enrichment Center

The Moore County Department of Aging and Senior Enrichment Center whose mission is, "To provide services that promote the well-being of older adults" has more recently welcomed the role of being the "centralized hub" for all things Dementia in our local community, complementing and collaborating with Dementia Alliance, the Alzheimer's Association, and community advocate initiatives.

Keep posted on local educational opportunities, and reach out for support in printed materials, counseling, respite care (say "time away" to refuel). Funding for this service as well as others, is provided by the Federal Government and Moore County on a yearly basis. This January 2023 watch for a free educational seminar to be held at the SEC. To learn more about the services offered to seniors in Moore County or to simply sign up to receive the monthly newsletter to keep aware of all activities via email by calling (910-947-4483)

NC is way behind in providing demographic data per county. However, a simple math equation reveals that based upon 23,635 people living in Moore County that are 65+ there is an estimated 2,528 people living with Alzheimer's.

Dementia Alliance

Our community has leading medical interventions, but what are WE doing for those dealing with this disease?

Dementia Alliance, located in Raleigh, mission statement is "To improve the lives of all North Carolinians impacted by dementia, engaging and empowering them through support, education and research.

" They are a beacon for providing support group facilitator training classes, counseling, education and other useful programs to assist care partners with the disease process. Dementia Alliance is focused primarily on the care partner. (919-832-3732)

COVID impeded each of our lives on so many different levels Think about it - what kind of support did the care partners receive during this pandemic? Currently, 4 LIVE support groups are being held in various parts of our area; each group is being offered in various settings with different facilitators for one hour. Grief share and learn from others who are in the same situation, or have been. Dementia Alliance has Moore County groups listed on their website.

Community Presbyterian Church is actively developing what is known as a "Dementia Friendly Community" within the walls of it's church. What does that mean? An environment that is "informed, safe, and respectful of individuals with the disease, their families and caregivers. It provides supportive options that foster quality of life." One of the live support groups is held here on the first Wednesday of the month at 4 p.m. in the Parlor. This church has developed a library stocked with Dementia resources.

Dementia Dialogues

a 2 day 12-3:30 FREE workshop, will be presented-Sunday 2/26 and 3/5/2023 at Community Presbyterian Church.

Sandhills Community College Culinary Department accepted the offer to serve a **FREE** (anonymous donor) luncheon for couples living with Dementia on **Thursday, March 2nd 2023** at the school dining room. This is a social gathering and time to meet others and those who are advocates of support. Pre-registration will be required and more information will be forthcoming. It is yet to be determined if there will be other opportunities within the community. Donations for future gatherings are welcomed. (Contact: **Rae-Lynn-919-274-0123**)

The Arts Council of Moore County also accepted a leadership position in our community to pilot efforts for studied art appreciation, socialization and time away in the lovely Campbell House galleries. The MOMA, NYC and the Louvre, Paris, FR were the first museums to implement programs to service this population and their care partners. **Early to early middle Dementia diagnosed individuals are welcomed with their care partners to sign up for this pilot during the 2023 calendar year. 6 couples are needed.

Contact Rae-Lynn at 919-274-0123

About Me Card

There is an international steering committee working to create an **"About Me Care Card"** that helps individuals living with Dementia (with or without their care partner) easily document what matters most to them. This document and message is then shared with their medical provider (clinician) during a clinic or hospital visit. The research team is looking for individuals and care partners to try this program with their clinicians or to simply provide feedback on the content of the card. If you are interested in participating, contact: Greg Kotzbauer at greg@morphstudio.io or call him at (603.276.0905). Individuals with any level of dementia or mild cognitive impairment are welcome to participate.

Retreat Aberdeen

Prior to COVID, The **Retreat, Aberdeen**, was open to adults with cognitive and physical disabilities, to provide respite (say, *"time away"* to refresh) for the care partner. The Retreat had to be closed. Currently, we have no Adult Day Care facility in our county to provide this respite, program oriented day care opportunity.

Socialization for those dealing with a disability, desperately need, require, being connected with others. The care partner needs, requires, time to be alone, get personal business attended to, or to be with friends.

Should you, or anyone you know become aware of a building that could be considered for this purpose, please call: **Kathryn (910-690-2181)** *A needs assessment would be under consideration for any building referred.*

AOS (Aging Outreach Services) & Friends has offerings to support those with Dementia and the care partner, and include Robo Companion Pets, Personalized Music Players, and Direct Care Grants. More information on these can be found on this page <https://aosfcare.org/faq/>
