## Thankful Giving

This is the time of year when we are increasingly occupied to the point of distraction by the challenges and demands of the year's end, that shift our attention from the church and religious holidays, to financial decisions, and their effects on our families, jobs, savings accounts, etc. For our Chapel and every church, our needs for next year are self-evident,

requiring our support in spirit and in person. In a word, I would ask you to think once again about *stewardship*.

First, I would ask you to forget, at least temporarily, everything you've ever heard about stewardship and tithing, and consider this: Think of tithing/stewardship/pledging to the church as you would prayer. We pray daily, not for a season or at a particular time of the year. Prayer is a continuous response to our loving relationship with God. Do we pray to inform God of our circumstances? Hardly. Do we pray to make God do what we want? God forbid! Do we pray because we confuse God with Santa Claus? You better watch out, you better not cry, you better not pout, etc. Or do you pray because you have no where else to turn? Now you're learning.

We pray for our own soul's sake, because we realize there is really nothing else we can do in response to the broken, wicked, and dangerous world in which we live. In other words, we pray because we need to. And in prayer we give back to God our Lord's need for us to be God's children.

I would suggest we think that way about tithing. We must not give to the church thinking we will obtain salvation – or some other reward – as recompense for our “generosity.” God doesn't need our money, and God help us if we think we can use our money to extort what we want from God. Rather, we should give for the same reason we pray: Because we need, for our own soul's sake, to affirm ourselves as human beings in need of a Savior.

## The Coming Pastoral Transition By Pastor Ashley

Thinking about the upcoming pastoral transition and anticipating areas of potential concern, I wanted to share some thoughts that are intended to bring peace and settle anxious minds.

The first thought is when I transition into Senior Pastor, and Pastor John into Senior Pastor Emeritus, he and I will still be ministering side-by-side and both of us will be on the preaching rotation as we presently are. Thus, Sunday mornings will remain familiar.

My second thought is that I don't plan to make changes to the status quo. Meaning, Sunday morning services will remain unchanged in their entirety. One can expect the same liturgy, the same excellent music, the same forms of Holy Communion, and all the aspects that make each service uniquely meaningful. One of the misfortunate changes that some churches make, is trying to change a traditional worship service into a contemporary worship service. The result often times is division within that particular body. That will not happen at the Chapel! Our three services will remain unchanged in their essence.

Changes are meant to take place at the committee level, as it pertains to doing what we are already doing, better. At the committee level, there are gifted men and women who contribute to making decisions, by providing their life-time experiences and particular expertise. The Chapel is blessed to have such high quality committees.

The last thing your pastors want to do, especially me, is cause disruptions to our community of faith. We are currently enjoying unity, peace, and a post-COVID momentum that will see full use of Heritage Hall in the coming months and years. Please know that I am always available to hear any concerns or

 Our prayers and money do not make anything happen, so much as they make us children of God. It's not so much about helping the church as it is helping yourself to become less "self" and more "you" and your reflection of Christ in you. In the words of rock star Roger Daltrey, "I call that a bargain, the best I ever had."

Faithfully yours,

Pastor John

 feedback, and will be honest in sharing my own personal thoughts and views. Our greatest years are before us, so let us together arise and accept the Christian commission to proclaim the Gospel to this generation and reproduce Christian disciples for the next.

## A Fitting Tribute to William Hall Wetmore

Alumni members from Bill Wetmore's Community Men's Bible Study gathered at the Care Cottage the afternoon of Thursday, October 28, 2021, to surprise Bill with a lite lunch, heavy deserts, and a special presentation.

**FYI, Bill is the oldest living former Duke basketball player. He played on the 1941-1942 team that won the Southern Conference title for Duke. His coach was Eddie Cameron whose name emblazes "Cameron Indoor Stadium".**

**Dave Twardzik was the special presenter. Dave was a two-time basketball All American at Old Dominion University and played guard for the Portland Trail Blazers on their 1977 NBA Championship team. Dave presented the Duke basketball, signed by "Coach K" that read, "To Bill. "Number 42" you started Duke basketball and our winning ways! Thanks, Mike Krzyzewski".**

**Bill, we thank you for sharing your discipleship all these years to the men of the greater Community.**

# HERITAGE HALL A PALOOZA

Jane Jackson • Lyla Elliott—event Coordinators

Wednesday, October 13, we held our Heritage Hall A Palooza fundraiser to benefit the furnishing of our new Education Center. To put it mildly, the turn out was amazing!

We had Jordan's BBQ, McKenzie Brothers music and lots of auction and raffle items to choose from. The spirit of generosity was everywhere.

We want to thank all of you for coming out and making this event a huge success!

## TVC Music Series Presents— The Duke University Chorale

This past Sunday, November 7, the Duke University Chorale captivated its audience with an exciting program of music spanning many centuries and cultures. Their long-time conductor, Rodney Wynkoop emphasized how this trip was like returning home for them, especially after missing last year's concert due to the pandemic.

It was a joy to experience the music made by these talented young people and be in their presence once again.

**Dear Village Chapel family,  
I truly cannot find the words to express how much Tyler and I appreciate the cards, gifts, love, and prayers from the beautiful wedding shower thrown for us here. Thank you all for thinking of us as we begin our journey as husband and wife. Through the past 10 years, I have learned it really does take a village and I am so thankful to have The Village Chapel in our lives.**

**Our wedding ceremony is to take place on Saturday, November 13, at 2:30 p.m. For those who would like to join with us, the ceremony will be livestreamed on The Village Chapel's YouTube page.**

**Thank you from the bottom of our hearts,

## Sandhill’s Children’s Center– Festival of Trees

The Mission of the Sandhills Children Center is to provide services of the highest quality for children with and without special developmental needs, ages birth through five. They have been providing services to our community since 1970.

The staff members believe that every child is unique and deserves the best start possible. Their goal is to provide a secure and nurturing educational environment for children, while offering peace of mind to their families. Infant, toddler and preschool classrooms prepare children for kindergarten with a curriculum that provides a strong foundation.

The Southern Pines Campus has four infant/toddler classrooms and six preschool classrooms. Many of the

children have military parents. The Center's Developmental Day Program includes (1) customized physical, occupational, and speech therapies; (2) community field trips; (3) transportation for children with special needs, ages 3-5; (4) Family support services; as well as (5) Personalized intervention plans.

The vision of the staff members is to constantly strive to be a recognized leader and preeminent provider of educational and therapeutic services to young children through continuous organizational growth and collaboration with our community partners. In 2008, the center opened a campus in Rockingham.

They are many opportunities for men and women to volunteer on each campus in the following areas: (1) helping teachers in the classrooms, (2) rocking babies, (3) reading to one or more child(ren), (4) repairing equipment, (5) helping with office filing, (6) helping with yard work, (7) serving on the Board of Directors, and (8) helping with special events, such as The Festival of Trees in November of each year at the Carolina Hotel.

For more information on ways to participate, please visit their website at [www.festivaloftrees.org](http://www.festivaloftrees.org).

The Center's Executive Director is Evelyn Gayle; telephone: (910)692-3323 please call to inquire about volunteer opportunities

**Eagle Springs Baptist Church** is once again planning to prepare Thanksgiving food bags thru their local food pantry program. They have inquired if **The Village Chapel** could again provide Food Lion debit cards to accompany the shelf stable items they will provide to families visiting their pantry.

Last year, TVC supported the food pantry with a very generous donation for Thanksgiving and Christmas. They were able to provide Food Lion debit cards to all their families in the area as well as purchase a drive through Nativity scene with recorded messages, which they will be able to use again this year and for years to come. We hope you'll consider supporting this cause again.

## **The Community Men's Retreat**

Some of you know that Edward Graham will be out of country until the end of November. Edward will be our guest speaker sometime in the future. As you say your prayers, remember to pray for Edward and those with him on this important effort.

Our new guest speaker is Mike Dillion the Sr. VP of Racing Operations & Business at Richard Childress Racing (RCR). Mike oversees the operations of the 55 acres, 17 building campus. On this RCR campus they not only support the two RCR NASCAR Cup teams, but they also support five other NASCAR Cup teams, are working on the next generation NASCAR Cup car design, and support "special projects" for our government that include armored vehicles and aircraft. As a 36-year NASCAR veteran and former driver, Mike tested vehicles and served as the backup driver for Dale Earnhardt. Today, Mike is also a "nervous parent" on race days for both his sons: Ty Dillion drives for the Joe Gibbs team and Austin Dillion drives the famous #3 car for RCR.

# Kudos Kerner

The Sing for Joy Hymn Festival on Sunday afternoon, October 26 was very special indeed. KUDOS to Stephen Gourley for the concept and to the adult and children's choirs for their participation. It was a glorious service of singing our favorite hymns and listening to inspirational anthems from the choirs. If you were not there in person, you can still stream it from the Chapel web site. Thanks to all concerned for an inspiring program.

The Paver Program has been a huge success, thanks to the excellent organization and execution by Mike Fusselbaugh, Guy Veni, and Jim Voelkel with the equally excellent support of Susan Benefield and Heather Dunn. They deserve a super size KUDOS for raising more than \$25,000 for outfitting Heritage Hall. Well conceived and well done!

This year the Village Chapel adopted 75 families consisting of 250 people! We are almost halfway to getting all our families adopted. Please consider making the Angel Tree part of your family's Christmas traditions. It is a wonderful way to share your blessings with others and make Christmas special for a family in need.

The Angel Tree not only brings joy to the recipients, but it also brings joy to the many volunteers who have made shopping, wrapping and distributing the gifts part of their Christmas traditions. We enjoy the Christmas music, light refreshments and the company of other members filled with the Christmas spirit as we wrap and organize the gifts!

Your cash donations are also needed to cover the cost of the Food Lion gift cards and the Bibles that will be given to all the families in addition to the gifts purchased from their Wish Lists. Please adopt a single person or a family or if you prefer to send in a donation, we will do the shopping.

This year we are having light refreshments and a special visit from Santa to say thank you to all the families for their generous support of the Angel Tree. We especially like to thank each child that comes in for understanding the true meaning of Christmas and how pleasing their generosity and being kind and thoughtful of others is to Jesus. We will have Youth volunteers available to help deliver your gifts to Chapel Hall on Sunday, December 5th before and after all services. Please drive up in the back parking lot by Chapel

**Important Dates to remember: Drop Off Sunday, December 5th from 8:00 a.m. - Noon**  
**Wrapping – December 6th- 8th from 9:30 a.m.- 3 p.m.**

## LEST WE FORGET

The grave site shown in the photo holds the ashes of our dear friend, Don Goulet. Col.

Donald J. Goulet (Ret) is the latest member of the Village Chapel to be buried at Arlington.

Like Don, many other men and women from our beloved Chapel who are buried at Arlington National Cemetery had been stationed at Fort Bragg at least once in their military careers where they soon discovered the unique beauty of the Sandhills, great golf courses and The Village Chapel.

In the end, these patriots who had put their service to God and Country over all else chose Arlington as their final resting place, where their spouses may join them. May they all rest in peace. And may we never forget what they did for us.
